At ETF Ventures Inc., our mission is simple: to create an uncommonly great experience for customers in need of auto service and repair as a Meineke franchise. Meineke Inc. was founded in 1972 on the principles of providing high quality service at a fair price with a commitment to fix vehicles correctly, the first time. Our Marietta Center is equipped with the latest manufacture-level diagnostic equipment for domestic and foreign vehicles. Our technicians are trained to use iPad © based tools such as AutoVitals, MKey Cloud POS and Estimator tools to help keep a digital audit of each vehicle, service performed and recommendations. Our facility lobby is designed to be welcoming and comfortable for customers and staff. We enjoy providing the highest level of service while maintaining the Meineke principles! We're looking to find the team member who will provide this experience to our customers!
